MALAYSIA: OVER
140 YEARS
OF EXPERIENCE
In the Rubber Industry

REPUTABLE 

Established Reputation ★★★★★

Malaysia has a long history in the rubber plantation industry, with more than 140 years of experience. Over the years, Malaysia has transformed itself to focus on producing quality rubber products such as rubber gloves, condoms, rubber catheters, etc. Today, Malaysian manufacturers produce high-quality rubber medical devices for users around the world.

  
WIDE RANGE

A Variety of Products

Malaysia offers users all over the world a wide range of high-quality rubber medical devices, whether made from natural rubber or synthetic rubber. These products include examination gloves, surgical gloves, condoms, foley catheters, dental dams, breathing bags and medical tubing.

R&D  

Continuous Product Improvement

R&D support from the Malaysian Rubber Board (MRB) in Malaysia and Tun Abdul Razak Research Centre (TARRC) in the United Kingdom ensure continuous product improvement by Malaysian manufacturers.
